In order to encourage more dinghies on the start line we are trialling an All Dinghy Class Race series, similar to the very popular Hangover race. All dinghy classes will start at the same sound signal. Time will be recorded and Portsmouth Yardstick ratings will be applied by the bridge to determine the overall winner. If a class is sailing for a cup on the same weekend, the cup will be awarded to the sailor who has scored the most number of points within their class as per standard sailing rules. Club champs will be standalone events. Windsurfer LTs to sail on Dinghy & Multihulls weekends
